NOW LANDING.
THE BOTTOM OF THE JAPANESE TRENCH.
NOT YET. THERE IS A VALLEY AFTER THAT CLEFT AHEAD ONODERA-KUN.
NO MATTER WHAT, I WISH TO GO THERE TO TAKE A LOOK. STEER THERE DIRECTLY PLEASE.
WHAT I-
..UNDERSTOOD.

WHAT I WANT TO SEE LIES AHEAD.

COME IN YUKI, CAN YOU HEAR ME?
GROUNDING WILL BE DELAYED FOR A WHILE. WE WILL FIRST ENTER THE AREA FOR COORDINATES 440-237 I'VE BONE THERE BEFORE, I KNOW THE ROUTE. ONODERA...
EH?
IS, IS THAT SO? ROGER, DERA-SAN, PLEASE BE CAREFUL FOR THE REST OF THE WAY
WHAT A FAST PITCH...

DESCENDING ANOTHER 10 METRES.
CREAK
CREAK
CREAK
CREAK

THERE IS THE TREMENDOUS WATER PRESSURE AT THE DEPTH OF A THOUSAND METERS OUTSIDE THIS SHIP
EVEN THOUGH IT DOES FEEL COLD, IS IT ONLY THE FAULT OF THE LOW TEMPERATURE OUTSIDE?
THE SEA WATER OUTSIDE IS AROUND 0 DEGREES, AND WE USE PURE OXYGEN IN HERE, SO FIRE IS PROHIBITED.
SORRY ABOUT THAT
JUST AS EXPECTED... IT'S FREEZING
CREAK
CREAK
CREAK
THERE IS A PRESSURE MORE THAN TEN TIMES GREATER OUTSIDE THE SHIP
IN OTHER WORDS, FOR AN AREA ONLY ABOUT THE SIZE OF YOUR PALM,
A SINGLE FINGERNAIL, 1 SQUARE CENTIMETRE OF SURFACE AREA WILL BE UNDER ABOUT 1 TONNE OF WATER PRESSURE.
CREAK
CREAK
CREAK
BUT HUMANS ARE ABLE TO. AND FEEL LIKE A TREMENDOUS GRIP IS TIGHENTING AROUND THEM. IT IS IMPOSSIBLE TO PUT THAT FEELING PROPERLY IN WORDS, SO WE SAY IT'S "HEART CHILLING"
THAT KIND OF DETESTABLE FEELING CANNOT BE FELT BY MACHINES.
AND THIS TITANIUM PERSONNEL SPHERE WHICH BEARS ALL THE PRESSURE, SHOULD BE UNDER TENS OF THOUSANDS OF TONNES, OR EVEN HUNDREDS OF THOUSANDS OF TONNES OF WATER PRESSURE.
CREAK
CREAK
CREAK
CREAK
CREAK

REALLY IT IS BECAUSE OF THIS KIND OF THING THAT I SAY JAPAN'S UNIVERSITIES ARE TERRIBLE.
THAT PROFESSOR OF YOURS, WILL DEFINITELY TREAT YOU COLDLY
IF I EVER SAID THAT IN THE UNIVERSITY...
SENSEI HAS STARTED HIS "TACIT KNOWLEDGE" SPEECHES AGAIN
IT IS IMPOSSIBLE FOR THEM TO PRODUCE WEGENERS, STEINERS AND BATESONS YOU KNOW...
FOR THOSE COUNTRIES THAT THINK THIS IS OUTRAGEOUS,
EUROPE AND AMERICA WHICH ARE ON THE CUTTING EDGE OF SCIENCE, ART, PHILOSOPHY AND RELIGIOUS STUDIES, ADOPTS A TWO-WAY EDUCATION SYSTEM AND EVEN CLEAR EXPRESSION OF VIEWS.

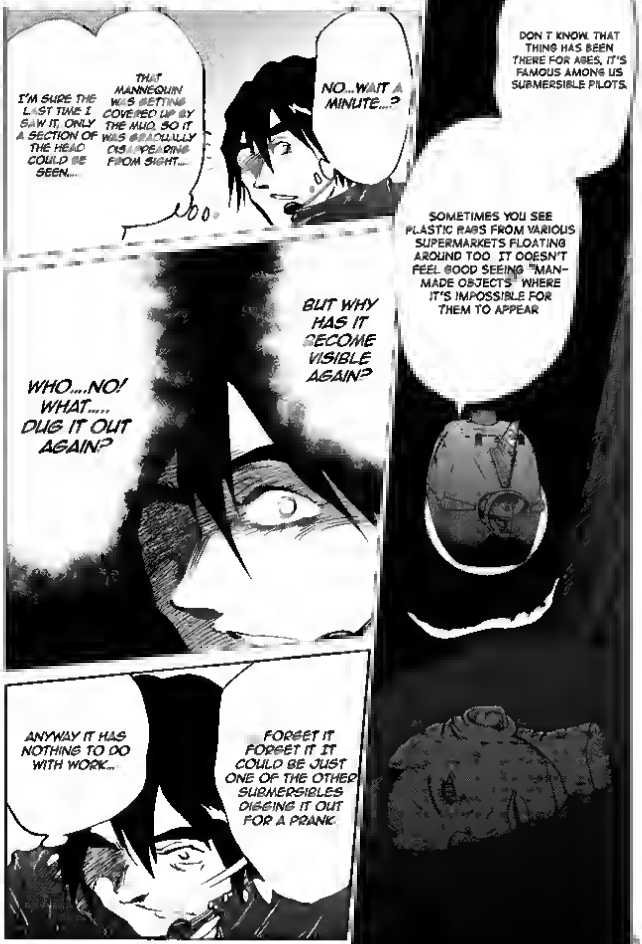
SHOULD I USE "REMORA"?
BUT, THE WAY THIS INFORMATION "APPEARED"...?
...WHAT IS THIS?
ALTHOUGH IT'S IN THE ACCEPTABLE RANGE FOR ERRORS IN THE CALCULATION OF THE MAP AND THE ACTUAL SITUATION...

NOT GOING TO USE THAT YET.
IT DRAINS A LOT OF ELECTRICITY YOU HAVE TO WAIT TILL YOU REACH THE BOTTOM BEFORE YOU CAN USE IT WITHIN THE STIPULATED TIME.
ONODERA-KUN, ARE YOU GOING TO USE THAT? REMORA? HM?
OI YOSHINAGA, GO TAKE A LOOK OUTSIDE THE WINDOW!
OH, IS THAT SO? YOSHINAGA, GO TAKE A LOOK
AFTER THAT IT'LL BE FINE TO USE IT
WE'LL BE PAST THIS CORNER VERY SOON...
SFX. SHOCK
SHOCK
A LITTLE CLOSER...
AH ONODERA-KUN. YOU'VE TURNED ON THE SEARCHLIGHTS.
!? HUH? WHAT IS THAT WHITE THING...?
A LITTLE CLOSER...
?
JUST GO AND LOOK DON'T BLINK.
??? WHAT IS IT?

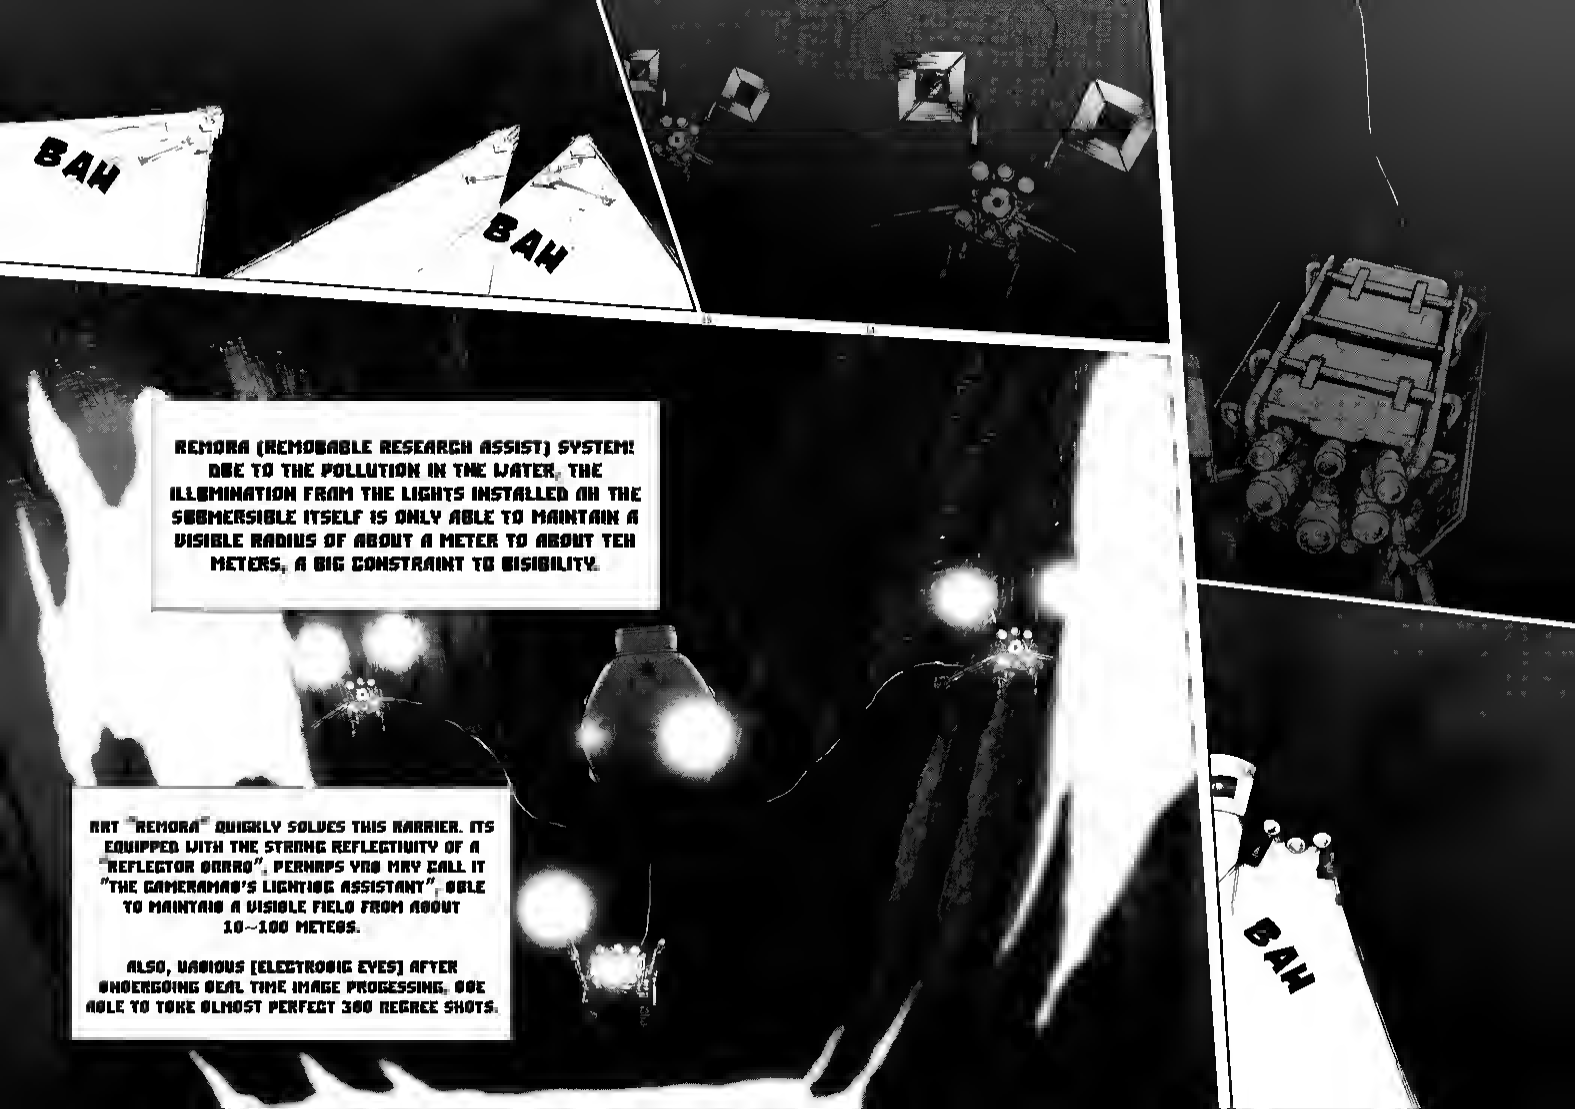
HOWAAH
HYAAH
AGYAH
OUCH!
BINO
WHAT A RACKET! YOSHINABA YOU SHOULD BE ASHAMED!
THAT'S A MANNEQUIN'S HEAD, A MANNEQUIN!
WH...WHY IS SUCH A THING AT THE BOTTOM OF THE OCEAN..?
HAA
HAA
HAA
THAT'S AN INCREDIBLE REACTION...



I'M SURE THE LAST TIME I SAW IT, ONLY A SECTION OF THE HEAD COULD BE SEEN...
THAT MANNEQUIN WAS GETTING COVERED UP BY THE MUD, SO IT WAS GRADUALLY DISAPPEARING FROM SIGHT...
NO...WAIT A MINUTE...?
DON'T KNOW THAT THING HAS BEEN THERE FOR AGES, IT'S FAMOUS AMONG US SUBMERSIBLE PILOTS.
SOMETIMES YOU SEE PLASTIC BAGS FROM VARIOUS SUPERMARKETS FLOATING AROUND TOO. IT DOESN'T FEEL GOOD SEEING "MAN-MADE OBJECTS" WHERE IT'S IMPOSSIBLE FOR THEM TO APPEAR
BUT WHY HAS IT BECOME VISIBLE AGAIN?
WHO...NO! WHAT..... DUG IT OUT AGAIN?
ANYWAY IT HAS NOTHING TO DO WITH WORK...
FORGET IT FORGET IT IT COULD BE JUST ONE OF THE OTHER SUBMERSIBLES DIGGING IT OUT FOR A PRANK.

OKAY... ONODERA-KUN.
CLANK
BANG
DEPLOYING "REMORA"
UNDERSTOOD.
FROM NOW ON, I WOULD LIKE TO BE ABLE TO OBSERVE MORE CLOSELY

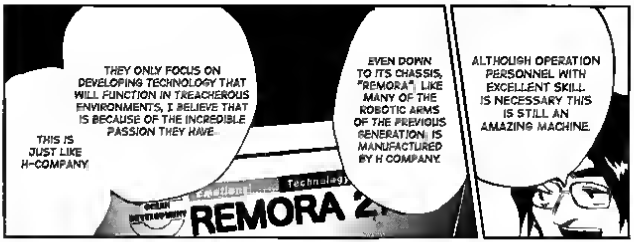
REMORA 2/R
REMORA 2/R
REMORA



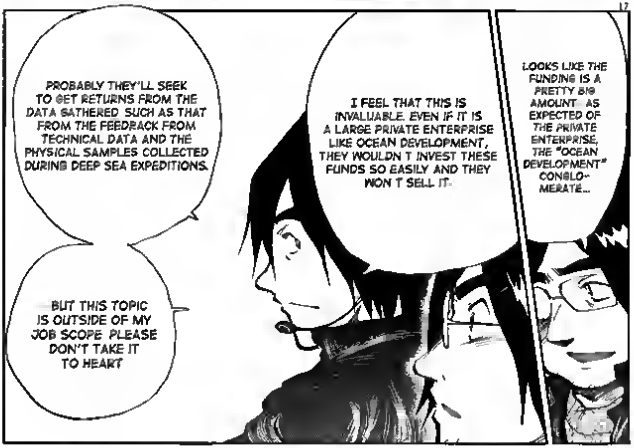
BAH
BAH
REMORA (REMOVABLE RESEARCH ASSIST) SYSTEM! DUE TO THE POLLUTION IN THE WATER, THE ILLUMINATION FROM THE LIGHTS INSTALLED ON THE SUBMERSIBLE ITSELF IS ONLY ABLE TO MAINTAIN A VISIBLE RADIUS OF ABOUT A METER TO ABOUT TEN METERS, A BIG CONSTRAINT TO VISIBILITY.
OUR "REMORA" QUICKLY SOLVES THIS BARRIER. ITS EQUIPPED WITH THE STRONG REFLECTIVITY OF A "REFLECTOR ARRAY", PERHAPS YOU MAY CALL IT "THE CAMERAMAN'S LIGHTING ASSISTANT", ABLE TO MAINTAIN A VISIBLE FIELD FROM ABOUT 10~100 METERS.
ALSO, VARIOUS [ELECTRONIC EYES] AFTER UNDERGOING REAL TIME IMAGE PROCESSING, ARE ABLE TO TAKE ALMOST PERFECT 360 DEGREE SHOTS.
BAH

YUKI, "REMORA" IS UP AND RUNNING.
"JAMESTEC" CONCEIVED THE CONCEPT OF "USING REMOTE LIGHTING TO INCREASE THE WIDTH OF THE AREA AVAILABLE FOR OBSERVATION". AND THUS WITH THE COOPERATION OF TELEVISION STATIONS STARTED EXPERIMENTATION
THIS "REMORA" IS SOMETHING THAT IS DEVELOPED FROM THAT IDEA.
ALTHOUGH THIS IS A VERY IMPRESSIVE PRODUCT, IT HAS CERTAIN LIMITATIONS IN TERMS OF USE AND COSTS, SO IT HASN'T CAUGHT ON EASILY. THEREFORE, IT IS STILL BEING USED ON TRIAL.
SHOTA, KUMA-SAN.
WHEN USING IT, THE GREATEST PROBLEM IS IT'S OPERABILITY.
IF YUKI WAS ALSO ON BOARD, THEN HE AND I COULD DIVIDE THE ROLES OF "OPERATING THE SHIP" AND "OPERATING REMORA". BUT, BECAUSE THIS SHIP CAN ONLY BEAR 3 PEOPLE, THAT WOULD MEAN THAT ONLY ONE PASSENGER, THE RESEARCHER, CAN BOARD. IN THE SENSE OF BUSINESS, THIS WOULD GIVE CUSTOMERS SOME RESERVATIONS.
THEREFORE LET TWO PASSENGERS BOARD, AND LEAVE THE WHOLE TASK OF OPERATION TO THE SINGLE PILOT. HOWEVER...

DESPITE THE MASS PRODUCTION, THERE ARE NO PEOPLE WITH THE ABILITY TO USE IT SUCH IS THE SITUATION
RIGHT NOW, ONLY I HAVE THE ABILITY TO DO THIS. THUS,



THIS IS JUST LIKE H-COMPANY
THEY ONLY FOCUS ON DEVELOPING TECHNOLOGY THAT WILL FUNCTION IN TREACHEROUS ENVIRONMENTS, I BELIEVE THAT IS BECAUSE OF THE INCREDIBLE PASSION THEY HAVE.
EVEN DOWN TO ITS CHASSIS, "REMORA", LIKE MANY OF THE ROBOTIC ARMS OF THE PREVIOUS GENERATION, IS MANUFACTURED BY H COMPANY.
ALTHOUGH OPERATION PERSONNEL WITH EXCELLENT SKILL IS NECESSARY THIS IS STILL AN AMAZING MACHINE.
REMORA 2



PROBABLY THEY'LL SEEK TO GET RETURNS FROM THE DATA GATHERED SUCH AS THAT FROM THE FEEDBACK FROM TECHNICAL DATA AND THE PHYSICAL SAMPLES COLLECTED DURING DEEP SEA EXPEDITIONS.
BUT THIS TOPIC IS OUTSIDE OF MY JOB SCOPE PLEASE DON'T TAKE IT TO HEART
I FEEL THAT THIS IS INVALUABLE. EVEN IF IT IS A LARGE PRIVATE ENTERPRISE LIKE OCEAN DEVELOPMENT, THEY WOULDN T INVEST THESE FUNDS SO EASILY AND THEY WON T SELL IT.
LOOKS LIKE THE FUNDING IS A PRETTY BIG AMOUNT. AS EXPECTED OF THE PRIVATE ENTERPRISE, THE "OCEAN DEVELOPMENT" CONGLOMERATE...

ALTHOUGH IT IS NAMED "REMORA", FOR THOSE OF US WHO WORK ON-SITE, BASED ON IT'S APPEARANCE IT IS CALLED "THE WATER STRIDER" OR "WATER BEETLE".
BEFORE THAT TIME, OPERATING IT IS MY ROLE.
SOON IN THE FUTURE, WHEN "REMORA" S SELF-OPERATING SYSTEM IS COMPLETED, DEEP SEA EXPLORATION WILL NO LONGER NEED HUMANS.
18
"MACHINES" OR "HUMANS" HUH? IT'S NOT JUST DEEP SEA DIVING, MANY OTHER FIELDS OFTEN DISCUSS THIS TOPIC.
UNMANNED EXPLORATION... HMM?
BUT UNEXPECTEDLY HE IS A YOUNG MAN WHO IS VERY HONEST IN HIS WORK...NO, NOT ONLY THAT, HIS AGILITY IS SUPERB!!
HOW DO YOU PUT IT... LAST NIGHT, AFTER THAT HEATED ARGUMENT WITH TADOKORO-SENSEI, I WAS WONDERING WHAT KIND OF CHARACTER HE WAS..
.....

"WATER STRIDER" AND "WATER BEETLE" HUH... I SEE, INSECTS--
REGARDING OUR KNOWLEDGE OF THE EARTH, WE HUMANS ARE JUST LIKE INSECTS, WHERE OUR UNDERSTANDING IS ALMOST AT THE LEVEL OF COMPLETE IGNORANCE.
WITH A TIME LAG OF 10 SECONDS, BEING "DISTANT" FROM THE SEA AND CONDUCTING REMOTE OPERATION OF A CAMERA WHAT CAN YOU CAPTURE?
I THINK THAT ALL THOSE OPINIONS DISCUSSING "THE BENEFITS OF SELF-OPERATING MECHANISM" ARE NONSENSE, WHAT DO YOU THINK? MNN?
AND EVEN THOUGH WE ARE NOW AT THE BOTTOM OF THE SEA,
ARE NOW ABLE TO SEE FOR OURSELVES, AND EXPERIENCE FIRST-HAND THE DEPTHS AT THE SEA FLOOR
AFTER EXHAUSTING OUR KNOWLEDGE AND SCIENCE, WE FINALLY ..
EVEN THOUGH IT CAN BE IMAGINED BASED ON DATA, BUT NOT A SINGLE HUMAN CAN TRULY UNDERSTAND THE DEPTHS OF THE EARTH.
THE EARTH'S CRUST/ THICKNESS APPROXIMATELY 6~40KM
MANTLE/ THICKNESS APPROXIMATELY 2800KM
OUTER CORE/ THICKNESS APPROXIMATELY 2300KM
INNER CORE/ THICKNESS APPROXIMATELY 2400KM
BUT FROM THE PERSPECTIVE OF THE EARTH, WE ARE JUST LIKE INSECTS CRAWLING ON SKIN NO, MORE LIKE WE ARE BACTERIA WHO DON'T KNOW HOW "UNDER THE SKIN" AND "INSIDE THE BODY" IS LIKE.

AT THE BEGINNING OF THE 21ST CENTURY, THE EXISTENCE OF THE AMERICAN ARMY'S UNMANNED SEARCH AND DESTROY DRONES STARTED TO BE CONFIRMED. THEY ARE ABLE TO USE REMOTE OPERATION TO CARRY OUT MURDER ON A MASSIVE SCALE.
YET UNMANNED WEAPONS HAVE ALREADY BEEN CREATED AND USED TO MASSACRE, THE SIGNIFICANCE OF SUCH A WORLD GIVES A PERSON THE SAME "CHILL."
EVEN THOUGH WE ARE AT THIS STAGE,
TO RELY ON MACHINES...?
WHAT WE FELT EARLIER, "A CHILL INDESCRIBABLE BY WORDS", IS UNACCEPTABLE BY 'SCIENCE'

ONODERA-KUN,
A WHILE AGO, I FELT THAT YOU PROBABLY WORRY ABOUT THOSE "UNEASY FEELINGS" THE MOST
OTHER THAN THOSE THINGS YOU GET THROUGH YOUR INTUITION, WHAT OTHER VALUE DOES IT HAVE?
...I'M NOT SURE.
LET'S CONTINUE THE INVESTIGATION.
THAT'S RIGHT, THE INVESTIGATION
FROM NOW ON IS THE IMPORTANT
ONODERA-KUN I ORDER YOU AS A TRUSTOR
FROM NOW ONWARDS, TILL THE INVESTIGATION IS OVER,

HAH...?
NO MATTER IF ITS CALLS OR MESSAGES, DATA TRANSMISSIONS, THIS IS ABSOLUTE. EVERYTHING YOU SEE OR HEAR, CANNOT BE BROUGHT OUT OF THIS SUBMERSIBLE AND CAN NEVER BE BROUGHT FORTH.
CUT OFF ALL COMMUNICATIONS "OUTSIDE THE SUBMERSIBLE", INCLUDING THAT WITH "THOSE ON THE SHIP"
GREAR
GREAR
GREAR
THIS HOSTILE ENVIRONMENT— SUITS THE IDEOLOGY AND VIEW YOU PRESENTED LAST NIGHT,
SO IN A STATE OF ISOLATION,
NOT RELYING ON ANYTHING ELSE, FACE REALITY ON YOUR OWN

TSME

HEY! TSME HERE. I'M RETIRING FROM TRANSLATING SO SOMEONE ELSE FROM NEKYOU WILL BE TAKING OVER THE TRANSLATION OF TSOJ! IT HAS BEEN A REALLY INTERESTING MANGA TO TRANSLATE, WHAT WITH ALL THE SCIENCE, POLITICS AND HISTORICAL FIGURES/EVENTS, BUT IT ADMITTEDLY WAS QUITE ANNOYING AT TIMES WITH WEIRD SFX AND UNREADABLE BITS...AHAHAHA.....(I RAN OUT OF WORDS TO DESCRIBE WIND AND WATER, AND THE MOUNT OF CREAKING REALLY.) I HOPE THAT YOU WILL CONTINUE TO ENJOY TSOJ AND KEEP ON SUPPORTING THE CATS AT NEKYOU! WITH THAT, GOODBYE!

HTTP://WWW.NEKYOU.NET/
DON'T FORGET TO LEAVE A FEEDBACK.
THIS REDRAW LOOKS GOOD TO YOU, BURGHF
YEAH SHUU, BUT IT NEEDS MORE REDRAWS HERE AND THERE AND THIS
PROOFREADS DONE!, TYPESET THIS PLEASE.
ROLL UP THE NEXT UPDATE!
RAWS... MEAT?
HMMM...
TRANSLATIONS HERE I COME!
SCRIPTS
SEE YOU IN THE NEXT UPDATE~!
